Your NHS Number:

Date:

Title: Given Name: Surname:
Address:

Dear

Thank you for registering with Brondesbury Medical Centre. We will only be able to process an "out of area registration" without home visits if we decide that it is clinically appropriate and practical. In order to decide this we will ask you to complete an application form.

We may then,

- Ask you questions about why it is practical for you to attend this practice.
- If you are not currently registered at Brondesbury Medical Centre we may ask the practice you are currently registered with questions about your health to help decide whether to register you in this way.

If accepted, you can attend the practice and receive the full range of services provided as normal at the surgery. If you have an urgent care need and you need help at home we may ask you to call NHS 111 and they will put you in touch with a local service (this may be a face to face appointment with a local healthcare professional or a home visit where necessary).

We may decide that it is not in your best interests or practical for you to be registered in this way. In these circumstances we will not register you and will advise you to register (or remain registered) with a more local practice.

If accepted but your health needs change we may review your registration to see if it would be more appropriate for you to be registered with a GP practice closer to your home.

Yours sincerely

Main reception

Brondesbury Medical Centre

279 Kilburn High Road

London NW6 7JQ

CONSENT FORM FOR OUT OF CATCHMENT AREA HOME VISITS

I have been informed when I registered that I am out of the Surgery's catchment area.

Under NHS Guidelines I understand that if I require a Home Visit I should contact 111 and not the practice directly.
